MR CURRYLEAF TREE DISCOVERS HIS ROLE

by mary easaw thomas

marye *READ, DRAW AND COLOUR* book

We meet the Bangsar Buddies who occupy a backyard of a home in the city of Kuala Lumpur. Young Curry leaf Tree is a newcomer in the backyard.

This is a story of self-esteem. The values of friendship and a willingness to care for others, run through the story.

The Backyard Buddies

Dear children,
You can meet the following friends and more, in stories of the Backyard Buddies.

*Uncle Mango Tree
Mr Pap, the Papaya Tree
Young Curryleaf Tree
Miss Lily
Squeal and Speed, the two tree shrews
Magpie Robin, the inveterate traveller
Mrs Yellow-vented Bulbul*

*The three frequent visitors to the backyard who are close friends :
Happy the Hippo, the foreigner from Africa, now residing in the Wetlands,
Tipparella, the tapir
and Rum Tee Tum, the rhino from the Endau-Rompin jungle.
I know you will enjoy getting to know them.*

*Aunt Luvey lives in the house, but she knows nothing of the exciting things that happen in the backyard of her house.
I know you will enjoy getting to know them.*
