# A SHEPHERD FINDS HIS LOST SHEEP

*by mary easaw thomas*

marye READ, DRAW AND COLOUR book

## A Shepherd finds his Lost Sheep

*The child listens to the story being read, and only then does he draw and colour. The story influences him even in the way he draws and colours. When the situation is an unhappy one, he might use dull colours, and use bright colours to indicate the change from sorrow to joy*

*The pictures in this story of the sheep that was lost and finally found by the shepherd captures the imagination of the child as he draws and colours the pictures.*

*The pages invite the child to add his own details of stones and rocks, grass and trees, to add more sheep to the ones already present and make the pages delight fully his own.*

*This book will remain a favourite, as a story book as the child grows up.*

*Stick sheep are easy and fun to draw*
